Good morning,

Attached are the Unified Homelessness Response Center's (UHRC) daily activities, which include Operation Healthy Streets (OHS) in Venice, illegal dumping, and the HOPE Rapid Response locations. Please keep in mind that the Rapid Response Teams ensure LAMC 56.11 compliance and postings are not required. All locations are subject to change. Reasons vary and may include, lack of signatures, resources, weather, or time constraints.

- OHS will be operating at the Venice Beach Boardwalk & 3rd Ave. at Rose Ave.
- LASAN will address an illegal dump site located at 841 Gage St. regarding a porta potty.

**\*\*Please also note significant City resources, including LAPD personnel and assets, have been assigned to the UTLA strike.\*\***

Good morning,

Attached are the Unified Homelessness Response Center's (UHRC) daily activities for the day, which include Clean Streets Los Angeles (CSLA) posted clean-ups, illegal dumping, and the HOPE Rapid Response locations. All CSLA locations have been authorized by the appropriate entities. Also, teams will be following the "rainy day protocol" due to the adverse weather conditions. Additional resources have been deployed in areas impacted by the rain, including along the LA River, its tributaries, and other locations.

**\*\*Please note significant City resources, including LAPD personnel and assets, have been assigned to the UTLA strike.\*\***

Good morning,

Attached are the Unified Homelessness Response Center's (UHRC) daily activities for the day, which include Clean Streets Los Angeles (CSLA) posted clean-ups, illegal dumping, and the HOPE Rapid Response locations. Please keep in mind that the Rapid Response Teams ensure LAMC 56.11 compliance and postings are not required. All locations are subject to change. Reasons vary and may include, lack of signatures, resources, weather, or time constraints.

**\*\*Please note that, although some locations on the confirmation list appear to be missing a LAHSA signature, ALL locations on the list have been fully authorized.\*\***

Also here is a link to detailed information about the 2018-2019 LAHSA Winter Shelter Program: <https://www.lahsa.org/documents?id=2626-2018-2019-lahsa-winter-shelter-program-list>. Please check [lahsa.org](http://lahsa.org) during inclement weather to check 24-hour activation.

The UHRC is always striving to improve collaboration and communication. Please feel free to reach out to the UHRC with any of the following issues, or if you are in need of information on any other homelessness-related issues:

- A Bridge Home information
- Coordination of resources for a pressing issue related to homelessness
- Assistance with outreach for vulnerable populations
- Outreach information and services
- Very High Fire Hazard Severity Zone (VHFHSZ) locations and requests
- HOPE Team information
- Rapid Response locations (56.11 Compliance/Enforcement)
- Clean Streets Los Angeles (Posted clean-ups)
- Operation Healthy Streets (Weekly dedicated posted clean-ups in Skid Row and Venice Beach)
- Illegal dumping (Trash not associated with a clean-up)
- DOT resources, requests, and information
- Safe Parking
- LAPD resources

**UHRC Hours of Operation:**

Good morning,

Attached are the Unified Homelessness Response Center's (UHRC) daily activities for the day, which include Clean Streets Los Angeles (CSLA) posted clean-ups, illegal dumping, and the HOPE Rapid Response locations. Please keep in mind that the Rapid Response Teams ensure LAMC 56.11 compliance and postings are not required. All locations are subject to change. Reasons vary and may include, lack of signatures, resources, weather, or time constraints.

Also here is a link to detailed information about the 2018-2019 LAHSA Winter Shelter Program: <https://www.lahsa.org/documents?id=2626-2018-2019-lahsa-winter-shelter-program-list>. Please check [lahsa.org](https://www.lahsa.org/documents?id=2626-2018-2019-lahsa-winter-shelter-program-list) during inclement weather to check 24-hour activation.

The UHRC is always striving to improve collaboration and communication. Please feel free to reach out to the UHRC with any of the following issues, or if you are in need of information on any other homelessness-related issues:

- A Bridge Home information
- Coordination of resources for a pressing issue related to homelessness
- Assistance with outreach for vulnerable populations
- Outreach information and services
- Very High Fire Hazard Severity Zone (VHFHSZ) locations and requests
- HOPE Team information
- Rapid Response locations (56.11 Compliance/Enforcement)
- Clean Streets Los Angeles (Posted clean-ups)
- Operation Healthy Streets (Weekly dedicated posted clean-ups in Skid Row and Venice Beach)
- Illegal dumping (Trash not associated with a clean-up)
- DOT resources, requests, and information
- Safe Parking
- LAPD resources

Good morning,

Attached are the UHRC's daily activities for the day, which includes illegal dumping and the HOPE Rapid Response locations. Please keep in mind that the Rapid Response Teams ensure LAMC 56.11 compliance and postings are not required. All locations are subject to change. Reasons vary and may include, lack of signatures, resources, weather, or time constraints.

Also here is a link to detailed information about the 2018-2019 LAHSA Winter Shelter Program: <https://www.lahsa.org/documents?id=2626-2018-2019-lahsa-winter-shelter-program-list>. Please check [lahsa.org](http://lahsa.org) during inclement weather to check 24-hour activation.

The Unified Homelessness Response Center (UHRC) is always striving to improve collaboration and communication. Please feel free to reach out to the UHRC with any of the following issues, or if you are in need of information on any other homelessness-related issues:

- A Bridge Home information
- Coordination of resources for a pressing issue related to homelessness
- Assistance with outreach for vulnerable populations
- Outreach information and services
- Very High Fire Hazard Severity Zone (VHFHSZ) locations and requests
- HOPE Team information
- Rapid Response locations (56.11 Compliance/Enforcement)
- Clean Streets Los Angeles (Posted clean-ups)
- Operation Healthy Streets (Weekly dedicated posted clean-ups in Skid Row and Venice Beach)
- Illegal dumping (Trash not associated with a clean-up)
- DOT resources, requests, and information
- Safe Parking

---

Good morning,

Attached are the UHRC's daily activities for the day, which include Clean Streets Los Angeles (CSLA) posted clean-ups, illegal dumping, and the HOPE Rapid Response locations. Please keep in mind that the Rapid Response Teams ensure LAMC 56.11 compliance and postings are not required. All locations are subject to change. Reasons vary and may include, lack of signatures, resources, weather, or time constraints.

Also attached is a document with detailed information about the 2018-2019 LAHSA Winter Shelter Program, which began this past weekend. The attached document includes information on winter shelter locations, access, and program contacts.

The Unified Homelessness Response Center (UHRC) is always striving to improve collaboration and communication. Please feel free to reach out to the UHRC with any of the following issues, or if you are in need of information on any other homelessness-related issues:

- A Bridge Home information
- Coordination of resources for a pressing issue related to homelessness
- Assistance with outreach for vulnerable populations
- Outreach information and services
- Very High Fire Hazard Severity Zone (VHFHSZ) locations and requests
- HOPE Team information
- Rapid Response locations (56.11 Compliance/Enforcement)
- Clean Streets Los Angeles (Posted clean-ups)
- Operation Healthy Streets (Weekly dedicated posted clean-ups in Skid Row and Venice Beach)
- Illegal dumping (Trash not associated with a clean-up)
- DOT resources, requests, and information
- Safe Parking
- LAPD resources

**UHRC Hours of Operation:**

Monday-Friday  
0700 - 1700 hrs

**UHRC Contact Information:**

Phone: 213-484-4855  
E-mail: [UHRC@lacity.org](mailto:UHRC@lacity.org)

Thank you.

Good morning,

Attached are the UHRC's daily activities for the day, which include Clean Streets Los Angeles (CSLA) posted clean-ups, illegal dumping, and the HOPE Rapid Response locations. Please keep in mind that the Rapid Response Teams ensure LAMC 56.11 compliance and postings are not required. All locations are subject to change. Reasons vary and may include, lack of signatures, resources, weather, or time constraints.

Also attached is a document with detailed information about the 2018-2019 LAHSA Winter Shelter Program, which began this past weekend. The attached document includes information on winter shelter locations, access, and program contacts.

The Unified Homelessness Response Center (UHRC) is always striving to improve collaboration and communication. Please feel free to reach out to the UHRC with any of the following issues, or if you are in need of information on any other homelessness-related issues:

- A Bridge Home information
- Coordination of resources for a pressing issue related to homelessness
- Assistance with outreach for vulnerable populations
- Outreach information and services
- Very High Fire Hazard Severity Zone (VHFHSZ) locations and requests
- HOPE Team information
- Rapid Response locations (56.11 Compliance/Enforcement)
- Clean Streets Los Angeles (Posted clean-ups)
- Operation Healthy Streets (Weekly dedicated posted clean-ups in Skid Row and Venice Beach)
- Illegal dumping (Trash not associated with a clean-up)
- DOT resources, requests, and information
- Safe Parking
- LAPD resources

**Subject:** 11/29/18 Special UHRC Information for Rain / Adverse Weather Conditions

Good morning,

Below is special information about the UHRC's role and efforts during the rain event and adverse weather conditions.

On 11/28, the LAPD Central and Valley Bureau HOPE Teams conducted outreach along the LA River. The officers and LAHSA HET workers distributed the attached flood warning flyers. The LAPD Valley Bureau Off Road Motor Vehicle Unit also conducted extra patrol and outreach in Griffith Park, Ora Vista Big Tujunga Wash, and the Sepulveda Basin. The officers warned unsheltered individuals of the pending rain and distributed the attached flyer.

**Brian Buchner (me) from the Mayor's Office will be the point of contact for off-hour UHRC coordination efforts at (310) 909-3433.**

**Matthew Tenchavez from LAHSA will be the point of contact for off-hour outreach assistance for unsheltered individuals at (213) 503-8081.**

**Commander Dominic Choi from the LAPD will be the off-hour contact for homelessness-related issues that need immediate attention, conference calls for situational updates, etc. at (213) 272-8042.**

**If there is a public safety emergency that requires an immediate LAPD or LAFD response, please call 9-1-1.**

Additionally, LAHSA has secured emergency beds with Volunteers of America (VOA) to ensure there is at least one location available to take folks from along the LA River during the rain event. Below is VOA's contact information and address along with the names of staff who will be on duty throughout the night along with the contact phone

number.

Good morning,

Below is special information about the UHRC's role and efforts during the rain event and adverse weather conditions.

On 11/28, the LAPD Central and Valley Bureau HOPE Teams conducted outreach along the LA River. The officers and LAHSA HET workers distributed the attached flood warning flyers. The LAPD Valley Bureau Off Road Motor Vehicle Unit also conducted extra patrol and outreach in Griffith Park, Ora Vista Big Tujunga Wash, and the Sepulveda Basin. The officers warned unsheltered individuals of the pending rain and distributed the attached flyer.

**Brian Buchner (me) from the Mayor's Office will be the point of contact for off-hour UHRC coordination efforts at (310) 909-3433.**

**Matthew Tenchavez from LAHSA will be the point of contact for off-hour outreach assistance for unsheltered individuals at (213) 503-8081.**

**Commander Dominic Choi from the LAPD will be the off-hour contact for homelessness-related issues that need immediate attention, conference calls for situational updates, etc. at (213) 272-8042.**

**If there is a public safety emergency that requires an immediate LAPD or LAFD response, please call 9-1-1.**

Additionally, LAHSA has secured emergency beds with Volunteers of America (VOA) to ensure there is at least one location available to take folks from along the LA River during the rain event. Below is VOA's contact information and address along with the names of staff who will be on duty throughout the night along with the contact phone number.

Good morning,

Attached are the UHRC's daily activities for the day, which include Clean Streets Los Angeles (CSLA) posted clean-ups, illegal dumping, and the HOPE Rapid Response locations. Please keep in mind that the Rapid Response Teams ensure LAMC 56.11 compliance and postings are not required.

All locations are subject to change. Reasons vary and may include, lack of signatures, resources, weather, or time constraints.

The Unified Homelessness Response Center (UHRC) is always striving to improve collaboration and communication. Please feel free to reach out to the UHRC with any of the following issues, or if you are in need of information on any other homelessness-related issues:

- A Bridge Home information
- Coordination of resources for a pressing issue related to homelessness
- Assistance with outreach for vulnerable populations
- Outreach information and services
- Very High Fire Hazard Severity Zone (VHFHSZ) locations and requests
- HOPE Team information
- Rapid Response locations (56.11 Compliance/Enforcement)
- Clean Streets Los Angeles (Posted clean-ups)
- Operation Healthy Streets (Weekly dedicated posted clean-ups in Skid Row and Venice Beach)
- Illegal dumping (Trash not associated with a clean-up)
- DOT resources, requests, and information
- Safe Parking
- LAPD resources

**UHRC Hours of Operation:**

Monday-Friday  
0700 - 1700 hrs

**UHRC Contact Information:**

Phone: 213-484-4855

Good morning,

Attached are the daily activities for the day, which include Clean Streets Los Angeles (CSLA) posted clean-ups, illegal dumping, and the HOPE Rapid Response locations. Please keep in mind that the Rapid Response Teams ensure LAMC 56.11 compliance and postings are not required.

All locations are subject to change. Reasons vary and may include, lack of signatures, resources, weather, or time constraints.

Operation Healthy Streets Venice began at 12:00 PM and will continue through 5:00 PM. Additionally,

- Venice Boardwalk will have spot cleaning only
- 3rd St. / Rose Ave. will have full CSLA.

The Unified Homelessness Response Center (UHRC) is always striving to improve collaboration and communication. Please feel free to reach out to the UHRC with any of the following issues, or if you are in need of information on any other homelessness-related issues:

- A Bridge Home information
- Coordination of resources for a pressing issue related to homelessness
- Assistance with outreach for vulnerable populations
- Outreach information and services
- Very High Fire Hazard Severity Zone (VHFHSZ) locations and requests
- HOPE Team information
- Rapid Response locations (56.11 Compliance/Enforcement)
- Clean Streets Los Angeles (Posted clean-ups)
- Operation Healthy Streets (Weekly dedicated posted clean-ups in Skid Row and Venice Beach)
- Illegal dumping (Trash not associated with a clean-up)
- DOT resources, requests, and information
- Safe Parking
- LAPD resources

## Emergency Temporary Housing

### **Preguntas Frecuentes**

#### ***¿Por qué se seleccionó a mi comunidad para proyectos de vivienda provisional?***

Si nos proponemos terminar con la indigencia, necesitamos crear soluciones en todas las comunidades, por ese motivo es que el presupuesto del Alcalde financia viviendas de emergencia provisionales en todos los 15 Distritos del Concejo. Cada sitio de viviendas provisionales de emergencia se seleccionará con base en su proximidad a campamentos densos de personas sin hogar. Estos sitios están específicamente diseñados para atender a la población sin hogar que ya vive en su comunidad, y ayudarán a erradicar los campamentos en su comunidad. Cada Distrito del Concejo que construya viviendas de emergencia provisionales recibirá fondos adicionales de saneamiento y equipos de LAPD HOPE para restaurar los espacios que anteriormente funcionaron como sitios de campamentos para convertirlos en corredores públicos, limpios y seguros.

#### ***¿Quiénes residirán en las nuevas viviendas?***

La Municipalidad está desplegando equipos de trabajadores de difusión y divulgación para obtener la participación de angelinos sin hogar que viven alrededor de los sitios de vivienda provisional de A Bridge Home para asegurarse de que las personas que se trasladarán a vivir en una vivienda de emergencia provisional ya son residentes de esa comunidad. La única calificación para que las personas se trasladen a estos proyectos es su proximidad con el sitio.

Cada sitio está diseñado específicamente para apoyar las necesidades de la población cercana, sean estos hombres, mujeres o personas de la tercera edad. Todos se someterán a una evaluación de necesidades de vivienda cuando lleguen al sitio y su administrador de caso trabajará con ellos para trasladarlos a una solución más permanente.

#### ***¿Un proyecto de A Bridge Home traerá personas sin hogar a mi comunidad?***

No. Este proyecto de vivienda de emergencia provisional está diseñado específicamente para atender a las personas que viven en campamentos en comunidades alrededor del sitio, quienes serán identificadas previamente durante un período de difusión y divulgación. La Municipalidad aportará servicios adicionales de saneamiento y cumplimiento de las leyes para asegurar que las calles alrededor de los sitios permanezcan seguras y limpias.

#### ***¿Cómo se está decidiendo el lugar donde se desarrollarán las viviendas provisionales?***

La Municipalidad analiza principalmente la ubicación en lotes que ya son de propiedad municipal, que tengan al menos 20,000 pies cuadrados de extensión y estén localizados cerca de campamentos densos de personas sin hogar. Pero antes de elegir oficialmente un sitio, este se somete a la evaluación de ingenieros para garantizar que se trate de un lugar apropiado para desarrollar viviendas provisionales, y que ya cuenta con las conexiones necesarias de agua, energía eléctrica y alcantarillado.

#### ***¿Cómo lucirán los sitios?***

Cada Distrito del Concejo está comprometido con crear un sitio que refleje el espíritu y la estética de la comunidad donde se encuentra. Estos se diseñarán de manera que incorporen los comentarios de los proveedores de servicios, que optimicen el acceso a los servicios y que creen un espacio comunitario cómodo que ayude a los clientes a estabilizarse y ponerse de pie nuevamente en sus vidas. Las estructuras mismas serán remolques o espacios con plataformas cubiertas con carpas.

#### ***¿Cuánto tiempo funcionarán?***

Tres años.

### ***¿Cuáles son los horarios de funcionamiento para los sitios A Bridge Home?***

Los sitios funcionan 24 horas al día, 7 días a la semana, con personal y seguridad en el sitio en todo momento.

### ***¿Cuánto tiempo esperan que la gente permanezca en la vivienda provisional?***

Nuestro objetivo es sacar a las personas de los refugios y trasladarlas a viviendas más permanentes a la brevedad posible, lo que significa que las camas podrían reasignarse hasta cuatro veces en un año. Pero cuánto tiempo permanezca alguien en la vivienda de emergencia provisional dependerá de su necesidad. Los sitios estarán dotados de personal dedicado a la gestión de vivienda, profesionales de salud mental y especialistas contra adicciones quienes ayudarán a los clientes a levantarse y ponerse de pie tan pronto como sea posible.

### ***¿Se afectará la seguridad de nuestra comunidad con estos proyectos de viviendas provisionales?***

No. Todos los sitios estarán completamente dotados con personal de seguridad en el sitio 24/7, y el personal municipal vigilará estrechamente cada sitio para ayudar a garantizar la seguridad y la limpieza. Nuestros asociados en el Condado están aumentando el despliegue de trabajadores de difusión y divulgación, y de servicios de apoyo para llegar hasta los residentes sin hogar locales, ayudarles a realizar la transición hacia viviendas de emergencia provisionales y posteriormente a viviendas permanentes. Por medio de financiamiento adicional de la Municipalidad para servicios de saneamiento, los campamentos existentes se convertirán en espacios públicos, seguros y limpios para el disfrute de todos los residentes.

### ***¿Es necesario que los residentes en los sitios de A Bridge Home estén sobrios?***

No. El ingreso al sitio se determinará en función de la cercanía de la carpa de estos al sitio, no dependerá de si ellos están sobrios o no. Sin embargo, cada sitio estará totalmente equipado con especialistas en salud mental y tratamiento de adicciones que ayudarán a los nuevos residentes a iniciar el camino hacia la sobriedad.

### ***¿Cómo se asegurarán ustedes de que los campamentos no volverán a surgir?***

La Municipalidad está comprometida en asegurarse de que las calles circundantes a los sitios de A Bridge Home permanezcan seguros y limpios. Los angelinos sin hogar aún podrán instalar sus carpas entre las 9

p.m. y las 6 a.m., pero durante el día, la Municipalidad ha establecido zonas de cumplimiento especiales para garantizar que se retiren las carpas.

### ***¿Están ustedes criminalizando la indigencia?***

Este esfuerzo de ninguna manera pretende criminalizar a las personas que viven en las calles. No podemos, y de hecho no lo haremos, arrestar a todos los afectados para eliminar la crisis de indigencia. Las personas en extrema necesidad de ayuda no deben ser castigadas por sus circunstancias. La prioridad de la Municipalidad es llevar a estas personas a vivir bajo techo, no emitir citatorios. Sin embargo, si los residentes sin hogar eligen no retirar sus carpas durante el día, y por eso reciben citatorios, la oficina del Alcalde los conectará con el programa HEART, que brinda a los angelinos sin hogar la opción de realizar servicio comunitario o participar en consejería contra el abuso de sustancias en vez de pagar multas.

### ***Esto no suena como una solución permanente. ¿Qué pasa con aquellos que no ingresen a un sitio de A Bridge Home?***

Gracias a los votantes de Los Ángeles, la Municipalidad ha podido trabajar en la construcción de miles de unidades de vivienda asistida para nuestros vecinos sin hogar más vulnerables en la próxima década. Pero las personas que están durmiendo en las calles esta noche no pueden esperar hasta que las nuevas viviendas estén disponibles. Ellos necesitan ayuda ahora mismo. Es por eso que A Bridge Home está ayudando a conectar a las personas con soluciones permanentes hoy.

### ***¿De qué otra manera puedo ayudar a mis vecinos sin hogar?***

Nadie puede por sí mismo hacer todo lo necesario para resolver la indigencia, pero todos juntos sí podemos hacer algo. Lo más importante que usted puede hacer es decir "sí" a la vivienda asistida y a la vivienda provisional (bridge housing) en su comunidad, y ayudar a educar a sus vecinos sobre la importancia fundamental de esta obra.

## *Emergency Temporary Housing*

### ***Preguntas Frecuentes***

#### ***¿Por qué se seleccionó a mi comunidad para proyectos de vivienda provisional?***

Si nos proponemos terminar con la indigencia, necesitamos crear soluciones en todas las comunidades, por ese motivo es que el presupuesto del Alcalde financia viviendas de emergencia provisionales en todos los 15 Distritos del Concejo. Cada sitio de viviendas provisionales de emergencia se seleccionará con base en su proximidad a campamentos densos de personas sin hogar. Estos sitios están específicamente diseñados para atender a la población sin hogar que ya vive en su comunidad, y ayudarán a erradicar los campamentos en su comunidad. Cada Distrito del Concejo que construya viviendas de emergencia provisionales recibirá fondos adicionales de saneamiento y equipos de LAPD HOPE para restaurar los espacios que anteriormente funcionaron como sitios de campamentos para convertirlos en corredores públicos, limpios y seguros.

#### ***¿Quiénes residirán en las nuevas viviendas?***

La Municipalidad está desplegando equipos de trabajadores de difusión y divulgación para obtener la participación de angelinos sin hogar que viven alrededor de los sitios de vivienda provisional de A Bridge Home para asegurarse de que las personas que se trasladarán a vivir en una vivienda de emergencia provisional ya son residentes de esa comunidad. La única calificación para que las personas se trasladen a estos proyectos es su proximidad con el sitio.

Cada sitio está diseñado específicamente para apoyar las necesidades de la población cercana, sean estos hombres, mujeres o personas de la tercera edad. Todos se someterán a una evaluación de necesidades de vivienda cuando lleguen al sitio y su administrador de caso trabajará con ellos para trasladarlos a una solución más permanente.

#### ***¿Un proyecto de A Bridge Home traerá personas sin hogar a mi comunidad?***

No. Este proyecto de vivienda de emergencia provisional está diseñado específicamente para atender a las personas que viven en campamentos en comunidades alrededor del sitio, quienes serán identificadas previamente durante un período de difusión y divulgación. La Municipalidad aportará servicios adicionales de saneamiento y cumplimiento de las leyes para asegurar que las calles alrededor de los sitios permanezcan seguras y limpias.

#### ***¿Cómo se está decidiendo el lugar donde se desarrollarán las viviendas provisionales?***

La Municipalidad analiza principalmente la ubicación en lotes que ya son de propiedad municipal, que tengan al menos 20,000 pies cuadrados de extensión y estén localizados cerca de campamentos densos de personas sin hogar. Pero antes de elegir oficialmente un sitio, este se somete a la evaluación de ingenieros para garantizar que se trate de un lugar apropiado para desarrollar viviendas provisionales, y que ya cuenta con las conexiones necesarias de agua, energía eléctrica y alcantarillado.

#### ***¿Cómo lucirán los sitios?***

Cada Distrito del Concejo está comprometido con crear un sitio que refleje el espíritu y la estética de la comunidad donde se encuentra. Estos se diseñarán de manera que incorporen los comentarios de los proveedores de servicios, que optimicen el acceso a los servicios y que creen un espacio comunitario cómodo que ayude a los clientes a estabilizarse y ponerse de pie nuevamente en sus vidas. Las estructuras mismas serán remolques o espacios con plataformas cubiertas con carpas.

#### ***¿Cuánto tiempo funcionarán?***

Tres años.

### ***¿Cuáles son los horarios de funcionamiento para los sitios A Bridge Home?***

Los sitios funcionan 24 horas al día, 7 días a la semana, con personal y seguridad en el sitio en todo momento.

### ***¿Cuánto tiempo esperan que la gente permanezca en la vivienda provisional?***

Nuestro objetivo es sacar a las personas de los refugios y trasladarlas a viviendas más permanentes a la brevedad posible, lo que significa que las camas podrían reasignarse hasta cuatro veces en un año. Pero cuánto tiempo permanezca alguien en la vivienda de emergencia provisional dependerá de su necesidad. Los sitios estarán dotados de personal dedicado a la gestión de vivienda, profesionales de salud mental y especialistas contra adicciones quienes ayudarán a los clientes a levantarse y ponerse de pie tan pronto como sea posible.

### ***¿Se afectará la seguridad de nuestra comunidad con estos proyectos de viviendas provisionales?***

No. Todos los sitios estarán completamente dotados con personal de seguridad en el sitio 24/7, y el personal municipal vigilará estrechamente cada sitio para ayudar a garantizar la seguridad y la limpieza. Nuestros asociados en el Condado están aumentando el despliegue de trabajadores de difusión y divulgación, y de servicios de apoyo para llegar hasta los residentes sin hogar locales, ayudarles a realizar la transición hacia viviendas de emergencia provisionales y posteriormente a viviendas permanentes. Por medio de financiamiento adicional de la Municipalidad para servicios de saneamiento, los campamentos existentes se convertirán en espacios públicos, seguros y limpios para el disfrute de todos los residentes.

### ***¿Es necesario que los residentes en los sitios de A Bridge Home estén sobrios?***

No. El ingreso al sitio se determinará en función de la cercanía de la carpa de estos al sitio, no dependerá de si ellos están sobrios o no. Sin embargo, cada sitio estará totalmente equipado con especialistas en salud mental y tratamiento de adicciones que ayudarán a los nuevos residentes a iniciar el camino hacia la sobriedad.

### ***¿Cómo se asegurarán ustedes de que los campamentos no volverán a surgir?***

La Municipalidad está comprometida en asegurarse de que las calles circundantes a los sitios de A Bridge Home permanezcan seguros y limpios. Los angelinos sin hogar aún podrán instalar sus carpas entre las 9

p.m. y las 6 a.m., pero durante el día, la Municipalidad ha establecido zonas de cumplimiento especiales para garantizar que se retiren las carpas.

### ***¿Están ustedes criminalizando la indigencia?***

Este esfuerzo de ninguna manera pretende criminalizar a las personas que viven en las calles. No podemos, y de hecho no lo haremos, arrestar a todos los afectados para eliminar la crisis de indigencia. Las personas en extrema necesidad de ayuda no deben ser castigadas por sus circunstancias. La prioridad de la Municipalidad es llevar a estas personas a vivir bajo techo, no emitir citatorios. Sin embargo, si los residentes sin hogar eligen no retirar sus carpas durante el día, y por eso reciben citatorios, la oficina del Alcalde los conectará con el programa HEART, que brinda a los angelinos sin hogar la opción de realizar servicio comunitario o participar en consejería contra el abuso de sustancias en vez de pagar multas.

### ***Esto no suena como una solución permanente. ¿Qué pasa con aquellos que no ingresen a un sitio de A Bridge Home?***

Gracias a los votantes de Los Ángeles, la Municipalidad ha podido trabajar en la construcción de miles de unidades de vivienda asistida para nuestros vecinos sin hogar más vulnerables en la próxima década. Pero las personas que están durmiendo en las calles esta noche no pueden esperar hasta que las nuevas viviendas estén disponibles. Ellos necesitan ayuda ahora mismo. Es por eso que A Bridge Home está ayudando a conectar a las personas con soluciones permanentes hoy.

### ***¿De qué otra manera puedo ayudar a mis vecinos sin hogar?***

Nadie puede por sí mismo hacer todo lo necesario para resolver la indigencia, pero todos juntos sí podemos hacer algo. Lo más importante que usted puede hacer es decir "sí" a la vivienda asistida y a la vivienda provisional (bridge housing) en su comunidad, y ayudar a educar a sus vecinos sobre la importancia fundamental de esta obra.

## Emergency Temporary Housing

### **Preguntas Frecuentes**

#### ***¿Por qué se seleccionó a mi comunidad para proyectos de vivienda provisional?***

Si nos proponemos terminar con la indigencia, necesitamos crear soluciones en todas las comunidades, por ese motivo es que el presupuesto del Alcalde financia viviendas de emergencia provisionales en todos los 15 Distritos del Concejo. Cada sitio de viviendas provisionales de emergencia se seleccionará con base en su proximidad a campamentos densos de personas sin hogar. Cada Distrito del Concejo que construya viviendas de emergencia provisionales recibirá fondos adicionales de saneamiento y equipos de LAPD HOPE para restaurar los espacios que anteriormente funcionaron como sitios de campamentos para convertirlos en corredores públicos, limpios y seguros.

#### ***¿Quiénes residirán en las nuevas viviendas?***

La Municipalidad está desplegando equipos de trabajadores de difusión y divulgación para obtener la participación de angelinos sin hogar que viven alrededor de los sitios de vivienda provisional de A Bridge Home para asegurarse de que las personas que se trasladarán a vivir en una vivienda de emergencia provisional ya son residentes de esa comunidad. La única calificación para que las personas se trasladen a estos proyectos es su proximidad con el sitio.

Cada sitio está diseñado específicamente para apoyar las necesidades de la población cercana, sean estos hombres, mujeres o personas de la tercera edad. Todos se someterán a una evaluación de necesidades de vivienda cuando lleguen al sitio y su administrador de caso trabajará con ellos para trasladarlos a una solución más permanente.

#### ***¿Un proyecto de A Bridge Home traerá personas sin hogar a mi comunidad?***

No. Este proyecto de vivienda de emergencia provisional está diseñado específicamente para atender a las personas que viven en campamentos en comunidades alrededor del sitio, quienes serán identificadas previamente durante un período de difusión y divulgación. La Municipalidad aportará servicios adicionales de saneamiento y cumplimiento de las leyes para asegurar que las calles alrededor de los sitios permanezcan seguras y limpias.

#### ***¿Cómo se está decidiendo el lugar donde se desarrollarán las viviendas provisionales?***

La Municipalidad analiza principalmente la ubicación en lotes que ya son de propiedad municipal, que tengan al menos 20,000 pies cuadrados de extensión y estén localizados cerca de campamentos densos de personas sin hogar. Pero antes de elegir oficialmente un sitio, este se somete a la evaluación de ingenieros para garantizar que se trate de un lugar apropiado para desarrollar viviendas provisionales, y que ya cuenta con las conexiones necesarias de agua, energía eléctrica y alcantarillado.

#### ***¿Cuánto tiempo funcionarán?***

Tres años.

### ***¿Cuáles son los horarios de funcionamiento para los sitios A Bridge Home?***

Los sitios funcionan 24 horas al día, 7 días a la semana, con personal y seguridad en el sitio en todo momento.

## *Emergency Temporary Housing*

### ***Preguntas Frecuentes***

#### ***¿Por qué se seleccionó a mi comunidad para proyectos de vivienda provisional?***

Si nos proponemos terminar con la indigencia, necesitamos crear soluciones en todas las comunidades, por ese motivo es que el presupuesto del Alcalde financia viviendas de emergencia provisionales en todos los 15 Distritos del Concejo. Cada sitio de viviendas provisionales de emergencia se seleccionará con base en su proximidad a campamentos densos de personas sin hogar. Estos sitios están específicamente diseñados para atender a la población sin hogar que ya vive en su comunidad, y ayudarán a erradicar los campamentos en su comunidad. Cada Distrito del Concejo que construya viviendas de emergencia provisionales recibirá fondos adicionales de saneamiento y equipos de LAPD HOPE para restaurar los espacios que anteriormente funcionaron como sitios de campamentos para convertirlos en corredores públicos, limpios y seguros.

#### ***¿Quiénes residirán en las nuevas viviendas?***

La Municipalidad está desplegando equipos de trabajadores de difusión y divulgación para obtener la participación de angelinos sin hogar que viven alrededor de los sitios de vivienda provisional de A Bridge Home para asegurarse de que las personas que se trasladarán a vivir en una vivienda de emergencia provisional ya son residentes de esa comunidad. La única calificación para que las personas se trasladen a estos proyectos es su proximidad con el sitio.

Cada sitio está diseñado específicamente para apoyar las necesidades de la población cercana, sean estos hombres, mujeres o personas de la tercera edad. Todos se someterán a una evaluación de necesidades de vivienda cuando lleguen al sitio y su administrador de caso trabajará con ellos para trasladarlos a una solución más permanente.

#### ***¿Un proyecto de A Bridge Home traerá personas sin hogar a mi comunidad?***

No. Este proyecto de vivienda de emergencia provisional está diseñado específicamente para atender a las personas que viven en campamentos en comunidades alrededor del sitio, quienes serán identificadas previamente durante un período de difusión y divulgación. La Municipalidad aportará servicios adicionales de saneamiento y cumplimiento de las leyes para asegurar que las calles alrededor de los sitios permanezcan seguras y limpias.

#### ***¿Cómo se está decidiendo el lugar donde se desarrollarán las viviendas provisionales?***

La Municipalidad analiza principalmente la ubicación en lotes que ya son de propiedad municipal, que tengan al menos 20,000 pies cuadrados de extensión y estén localizados cerca de campamentos densos de personas sin hogar. Pero antes de elegir oficialmente un sitio, este se somete a la evaluación de ingenieros para garantizar que se trate de un lugar apropiado para desarrollar viviendas provisionales, y que ya cuenta con las conexiones necesarias de agua, energía eléctrica y alcantarillado.

#### ***¿Cómo lucirán los sitios?***

Cada Distrito del Concejo está comprometido con crear un sitio que refleje el espíritu y la estética de la comunidad donde se encuentra. Estos se diseñarán de manera que incorporen los comentarios de los proveedores de servicios, que optimicen el acceso a los servicios y que creen un espacio comunitario cómodo que ayude a los clientes a estabilizarse y ponerse de pie nuevamente en sus vidas. Las estructuras mismas serán remolques o espacios con plataformas cubiertas con carpas.

#### ***¿Cuánto tiempo funcionarán?***

Tres años.

### ***¿Cuáles son los horarios de funcionamiento para los sitios A Bridge Home?***

Los sitios funcionan 24 horas al día, 7 días a la semana, con personal y seguridad en el sitio en todo momento.

### ***¿Cuánto tiempo esperan que la gente permanezca en la vivienda provisional?***

Nuestro objetivo es sacar a las personas de los refugios y trasladarlas a viviendas más permanentes a la brevedad posible, lo que significa que las camas podrían reasignarse hasta cuatro veces en un año. Pero cuánto tiempo permanezca alguien en la vivienda de emergencia provisional dependerá de su necesidad. Los sitios estarán dotados de personal dedicado a la gestión de vivienda, profesionales de salud mental y especialistas contra adicciones quienes ayudarán a los clientes a levantarse y ponerse de pie tan pronto como sea posible.

### ***¿Se afectará la seguridad de nuestra comunidad con estos proyectos de viviendas provisionales?***

No. Todos los sitios estarán completamente dotados con personal de seguridad en el sitio 24/7, y el personal municipal vigilará estrechamente cada sitio para ayudar a garantizar la seguridad y la limpieza. Nuestros asociados en el Condado están aumentando el despliegue de trabajadores de difusión y divulgación, y de servicios de apoyo para llegar hasta los residentes sin hogar locales, ayudarles a realizar la transición hacia viviendas de emergencia provisionales y posteriormente a viviendas permanentes. Por medio de financiamiento adicional de la Municipalidad para servicios de saneamiento, los campamentos existentes se convertirán en espacios públicos, seguros y limpios para el disfrute de todos los residentes.

### ***¿Es necesario que los residentes en los sitios de A Bridge Home estén sobrios?***

No. El ingreso al sitio se determinará en función de la cercanía de la carpa de estos al sitio, no dependerá de si ellos están sobrios o no. Sin embargo, cada sitio estará totalmente equipado con especialistas en salud mental y tratamiento de adicciones que ayudarán a los nuevos residentes a iniciar el camino hacia la sobriedad.

### ***¿Cómo se asegurarán ustedes de que los campamentos no volverán a surgir?***

La Municipalidad está comprometida en asegurarse de que las calles circundantes a los sitios de A Bridge Home permanezcan seguros y limpios. Los angelinos sin hogar aún podrán instalar sus carpas entre las 9

p.m. y las 6 a.m., pero durante el día, la Municipalidad ha establecido zonas de cumplimiento especiales para garantizar que se retiren las carpas.

### ***¿Están ustedes criminalizando la indigencia?***

Este esfuerzo de ninguna manera pretende criminalizar a las personas que viven en las calles. No podemos, y de hecho no lo haremos, arrestar a todos los afectados para eliminar la crisis de indigencia. Las personas en extrema necesidad de ayuda no deben ser castigadas por sus circunstancias. La prioridad de la Municipalidad es llevar a estas personas a vivir bajo techo, no emitir citatorios. Sin embargo, si los residentes sin hogar eligen no retirar sus carpas durante el día, y por eso reciben citatorios, la oficina del Alcalde los conectará con el programa HEART, que brinda a los angelinos sin hogar la opción de realizar servicio comunitario o participar en consejería contra el abuso de sustancias en vez de pagar multas.

### ***Esto no suena como una solución permanente. ¿Qué pasa con aquellos que no ingresen a un sitio de A Bridge Home?***

Gracias a los votantes de Los Ángeles, la Municipalidad ha podido trabajar en la construcción de miles de unidades de vivienda asistida para nuestros vecinos sin hogar más vulnerables en la próxima década. Pero las personas que están durmiendo en las calles esta noche no pueden esperar hasta que las nuevas viviendas estén disponibles. Ellos necesitan ayuda ahora mismo. Es por eso que A Bridge Home está ayudando a conectar a las personas con soluciones permanentes hoy.

### ***¿De qué otra manera puedo ayudar a mis vecinos sin hogar?***

Nadie puede por sí mismo hacer todo lo necesario para resolver la indigencia, pero todos juntos sí podemos hacer algo. Lo más importante que usted puede hacer es decir "sí" a la vivienda asistida y a la vivienda provisional (bridge housing) en su comunidad, y ayudar a educar a sus vecinos sobre la importancia fundamental de esta obra.

## *Emergency Temporary Housing*

### ***Preguntas Frecuentes***

#### ***¿Por qué se seleccionó a mi comunidad para proyectos de vivienda provisional?***

Si nos proponemos terminar con la indigencia, necesitamos crear soluciones en todas las comunidades, por ese motivo es que el presupuesto del Alcalde financia viviendas de emergencia provisionales en todos los 15 Distritos del Concejo. Cada sitio de viviendas provisionales de emergencia se seleccionará con base en su proximidad a campamentos densos de personas sin hogar. Estos sitios están específicamente diseñados para atender a la población sin hogar que ya vive en su comunidad, y ayudarán a erradicar los campamentos en su comunidad. Cada Distrito del Concejo que construya viviendas de emergencia provisionales recibirá fondos adicionales de saneamiento y equipos de LAPD HOPE para restaurar los espacios que anteriormente funcionaron como sitios de campamentos para convertirlos en corredores públicos, limpios y seguros.

#### ***¿Quiénes residirán en las nuevas viviendas?***

La Municipalidad está desplegando equipos de trabajadores de difusión y divulgación para obtener la participación de angelinos sin hogar que viven alrededor de los sitios de vivienda provisional de A Bridge Home para asegurarse de que las personas que se trasladarán a vivir en una vivienda de emergencia provisional ya son residentes de esa comunidad. La única calificación para que las personas se trasladen a estos proyectos es su proximidad con el sitio.

Cada sitio está diseñado específicamente para apoyar las necesidades de la población cercana, sean estos hombres, mujeres o personas de la tercera edad. Todos se someterán a una evaluación de necesidades de vivienda cuando lleguen al sitio y su administrador de caso trabajará con ellos para trasladarlos a una solución más permanente.

#### ***¿Un proyecto de A Bridge Home traerá personas sin hogar a mi comunidad?***

No. Este proyecto de vivienda de emergencia provisional está diseñado específicamente para atender a las personas que viven en campamentos en comunidades alrededor del sitio, quienes serán identificadas previamente durante un período de difusión y divulgación. La Municipalidad aportará servicios adicionales de saneamiento y cumplimiento de las leyes para asegurar que las calles alrededor de los sitios permanezcan seguras y limpias.

#### ***¿Cómo se está decidiendo el lugar donde se desarrollarán las viviendas provisionales?***

La Municipalidad analiza principalmente la ubicación en lotes que ya son de propiedad municipal, que tengan al menos 20,000 pies cuadrados de extensión y estén localizados cerca de campamentos densos de personas sin hogar. Pero antes de elegir oficialmente un sitio, este se somete a la evaluación de ingenieros para garantizar que se trate de un lugar apropiado para desarrollar viviendas provisionales, y que ya cuenta con las conexiones necesarias de agua, energía eléctrica y alcantarillado.

#### ***¿Cómo lucirán los sitios?***

Cada Distrito del Concejo está comprometido con crear un sitio que refleje el espíritu y la estética de la comunidad donde se encuentra. Estos se diseñarán de manera que incorporen los comentarios de los proveedores de servicios, que optimicen el acceso a los servicios y que creen un espacio comunitario cómodo que ayude a los clientes a estabilizarse y ponerse de pie nuevamente en sus vidas. Las estructuras mismas serán remolques o espacios con plataformas cubiertas con carpas.

#### ***¿Cuánto tiempo funcionarán?***

Tres años.

### ***¿Cuáles son los horarios de funcionamiento para los sitios A Bridge Home?***

Los sitios funcionan 24 horas al día, 7 días a la semana, con personal y seguridad en el sitio en todo momento.

### ***¿Cuánto tiempo esperan que la gente permanezca en la vivienda provisional?***

Nuestro objetivo es sacar a las personas de los refugios y trasladarlas a viviendas más permanentes a la brevedad posible, lo que significa que las camas podrían reasignarse hasta cuatro veces en un año. Pero cuánto tiempo permanezca alguien en la vivienda de emergencia provisional dependerá de su necesidad. Los sitios estarán dotados de personal dedicado a la gestión de vivienda, profesionales de salud mental y especialistas contra adicciones quienes ayudarán a los clientes a levantarse y ponerse de pie tan pronto como sea posible.

### ***¿Se afectará la seguridad de nuestra comunidad con estos proyectos de viviendas provisionales?***

No. Todos los sitios estarán completamente dotados con personal de seguridad en el sitio 24/7, y el personal municipal vigilará estrechamente cada sitio para ayudar a garantizar la seguridad y la limpieza. Nuestros asociados en el Condado están aumentando el despliegue de trabajadores de difusión y divulgación, y de servicios de apoyo para llegar hasta los residentes sin hogar locales, ayudarles a realizar la transición hacia viviendas de emergencia provisionales y posteriormente a viviendas permanentes. Por medio de financiamiento adicional de la Municipalidad para servicios de saneamiento, los campamentos existentes se convertirán en espacios públicos, seguros y limpios para el disfrute de todos los residentes.

### ***¿Es necesario que los residentes en los sitios de A Bridge Home estén sobrios?***

No. El ingreso al sitio se determinará en función de la cercanía de la carpa de estos al sitio, no dependerá de si ellos están sobrios o no. Sin embargo, cada sitio estará totalmente equipado con especialistas en salud mental y tratamiento de adicciones que ayudarán a los nuevos residentes a iniciar el camino hacia la sobriedad.

### ***¿Cómo se asegurarán ustedes de que los campamentos no volverán a surgir?***

La Municipalidad está comprometida en asegurarse de que las calles circundantes a los sitios de A Bridge Home permanezcan seguros y limpios. Los angelinos sin hogar aún podrán instalar sus carpas entre las 9

p.m. y las 6 a.m., pero durante el día, la Municipalidad ha establecido zonas de cumplimiento especiales para garantizar que se retiren las carpas.

### ***¿Están ustedes criminalizando la indigencia?***

Este esfuerzo de ninguna manera pretende criminalizar a las personas que viven en las calles. No podemos, y de hecho no lo haremos, arrestar a todos los afectados para eliminar la crisis de indigencia. Las personas en extrema necesidad de ayuda no deben ser castigadas por sus circunstancias. La prioridad de la Municipalidad es llevar a estas personas a vivir bajo techo, no emitir citatorios. Sin embargo, si los residentes sin hogar eligen no retirar sus carpas durante el día, y por eso reciben citatorios, la oficina del Alcalde los conectará con el programa HEART, que brinda a los angelinos sin hogar la opción de realizar servicio comunitario o participar en consejería contra el abuso de sustancias en vez de pagar multas.

### ***Esto no suena como una solución permanente. ¿Qué pasa con aquellos que no ingresen a un sitio de A Bridge Home?***

Gracias a los votantes de Los Ángeles, la Municipalidad ha podido trabajar en la construcción de miles de unidades de vivienda asistida para nuestros vecinos sin hogar más vulnerables en la próxima década. Pero las personas que están durmiendo en las calles esta noche no pueden esperar hasta que las nuevas viviendas estén disponibles. Ellos necesitan ayuda ahora mismo. Es por eso que A Bridge Home está ayudando a conectar a las personas con soluciones permanentes hoy.

### ***¿De qué otra manera puedo ayudar a mis vecinos sin hogar?***

Nadie puede por sí mismo hacer todo lo necesario para resolver la indigencia, pero todos juntos sí podemos hacer algo. Lo más importante que usted puede hacer es decir "sí" a la vivienda asistida y a la vivienda provisional (bridge housing) en su comunidad, y ayudar a educar a sus vecinos sobre la importancia fundamental de esta obra.

## *Emergency Temporary Housing*

### ***Preguntas Frecuentes***

#### ***¿Por qué se seleccionó a mi comunidad para proyectos de vivienda provisional?***

Si nos proponemos terminar con la indigencia, necesitamos crear soluciones en todas las comunidades, por ese motivo es que el presupuesto del Alcalde financia viviendas de emergencia provisionales en todos los 15 Distritos del Concejo. Cada sitio de viviendas provisionales de emergencia se seleccionará con base en su proximidad a campamentos densos de personas sin hogar. Estos sitios están específicamente diseñados para atender a la población sin hogar que ya vive en su comunidad, y ayudarán a erradicar los campamentos en su comunidad. Cada Distrito del Concejo que construya viviendas de emergencia provisionales recibirá fondos adicionales de saneamiento y equipos de LAPD HOPE para restaurar los espacios que anteriormente funcionaron como sitios de campamentos para convertirlos en corredores públicos, limpios y seguros.

#### ***¿Quiénes residirán en las nuevas viviendas?***

La Municipalidad está desplegando equipos de trabajadores de difusión y divulgación para obtener la participación de angelinos sin hogar que viven alrededor de los sitios de vivienda provisional de A Bridge Home para asegurarse de que las personas que se trasladarán a vivir en una vivienda de emergencia provisional ya son residentes de esa comunidad. La única calificación para que las personas se trasladen a estos proyectos es su proximidad con el sitio.

Cada sitio está diseñado específicamente para apoyar las necesidades de la población cercana, sean estos hombres, mujeres o personas de la tercera edad. Todos se someterán a una evaluación de necesidades de vivienda cuando lleguen al sitio y su administrador de caso trabajará con ellos para trasladarlos a una solución más permanente.

#### ***¿Un proyecto de A Bridge Home traerá personas sin hogar a mi comunidad?***

No. Este proyecto de vivienda de emergencia provisional está diseñado específicamente para atender a las personas que viven en campamentos en comunidades alrededor del sitio, quienes serán identificadas previamente durante un período de difusión y divulgación. La Municipalidad aportará servicios adicionales de saneamiento y cumplimiento de las leyes para asegurar que las calles alrededor de los sitios permanezcan seguras y limpias.

#### ***¿Cómo se está decidiendo el lugar donde se desarrollarán las viviendas provisionales?***

La Municipalidad analiza principalmente la ubicación en lotes que ya son de propiedad municipal, que tengan al menos 20,000 pies cuadrados de extensión y estén localizados cerca de campamentos densos de personas sin hogar. Pero antes de elegir oficialmente un sitio, este se somete a la evaluación de ingenieros para garantizar que se trate de un lugar apropiado para desarrollar viviendas provisionales, y que ya cuenta con las conexiones necesarias de agua, energía eléctrica y alcantarillado.

#### ***¿Cómo lucirán los sitios?***

Cada Distrito del Concejo está comprometido con crear un sitio que refleje el espíritu y la estética de la comunidad donde se encuentra. Estos se diseñarán de manera que incorporen los comentarios de los proveedores de servicios, que optimicen el acceso a los servicios y que creen un espacio comunitario cómodo que ayude a los clientes a estabilizarse y ponerse de pie nuevamente en sus vidas. Las estructuras mismas serán remolques o espacios con plataformas cubiertas con carpas.

#### ***¿Cuánto tiempo funcionarán?***

Tres años.

### **¿Cuáles son los horarios de funcionamiento para los sitios A Bridge Home?**

Los sitios funcionan 24 horas al día, 7 días a la semana, con personal y seguridad en el sitio en todo momento.

### **¿Cuánto tiempo esperan que la gente permanezca en la vivienda provisional?**

Nuestro objetivo es sacar a las personas de los refugios y trasladarlas a viviendas más permanentes a la brevedad posible, lo que significa que las camas podrían reasignarse hasta cuatro veces en un año. Pero cuánto tiempo permanezca alguien en la vivienda de emergencia provisional dependerá de su necesidad. Los sitios estarán dotados de personal dedicado a la gestión de vivienda, profesionales de salud mental y especialistas contra adicciones quienes ayudarán a los clientes a levantarse y ponerse de pie tan pronto como sea posible.

### **¿Se afectará la seguridad de nuestra comunidad con estos proyectos de viviendas provisionales?**

No. Todos los sitios estarán completamente dotados con personal de seguridad en el sitio 24/7, y el personal municipal vigilará estrechamente cada sitio para ayudar a garantizar la seguridad y la limpieza. Nuestros asociados en el Condado están aumentando el despliegue de trabajadores de difusión y divulgación, y de servicios de apoyo para llegar hasta los residentes sin hogar locales, ayudarles a realizar la transición hacia viviendas de emergencia provisionales y posteriormente a viviendas permanentes. Por medio de financiamiento adicional de la Municipalidad para servicios de saneamiento, los campamentos existentes se convertirán en espacios públicos, seguros y limpios para el disfrute de todos los residentes.

### **¿Es necesario que los residentes en los sitios de A Bridge Home estén sobrios?**

No. El ingreso al sitio se determinará en función de la cercanía de la carpa de estos al sitio, no dependerá de si ellos están sobrios o no. Sin embargo, cada sitio estará totalmente equipado con especialistas en salud mental y tratamiento de adicciones que ayudarán a los nuevos residentes a iniciar el camino hacia la sobriedad.

### **¿Cómo se asegurarán ustedes de que los campamentos no volverán a surgir?**

La Municipalidad está comprometida en asegurarse de que las calles circundantes a los sitios de A Bridge Home permanezcan seguros y limpios. Los angelinos sin hogar aún podrán instalar sus carpas entre las 9

p.m. y las 6 a.m., pero durante el día, la Municipalidad ha establecido zonas de cumplimiento especiales para garantizar que se retiren las carpas.

### **¿Están ustedes criminalizando la indigencia?**

Este esfuerzo de ninguna manera pretende criminalizar a las personas que viven en las calles. No podemos, y de hecho no lo haremos, arrestar a todos los afectados para eliminar la crisis de indigencia. Las personas en extrema necesidad de ayuda no deben ser castigadas por sus circunstancias. La prioridad de la Municipalidad es llevar a estas personas a vivir bajo techo, no emitir citatorios. Sin embargo, si los residentes sin hogar eligen no retirar sus carpas durante el día, y por eso reciben citatorios, la oficina del Alcalde los conectará con el programa HEART, que brinda a los angelinos sin hogar la opción de realizar servicio comunitario o participar en consejería contra el abuso de sustancias en vez de pagar multas.

### **Esto no suena como una solución permanente. ¿Qué pasa con aquellos que no ingresen a un sitio de A Bridge Home?**

Gracias a los votantes de Los Ángeles, la Municipalidad ha podido trabajar en la construcción de miles de unidades de vivienda asistida para nuestros vecinos sin hogar más vulnerables en la próxima década. Pero las personas que están durmiendo en las calles esta noche no pueden esperar hasta que las nuevas viviendas estén disponibles. Ellos necesitan ayuda ahora mismo. Es por eso que A Bridge Home está ayudando a conectar a las personas con soluciones permanentes hoy.

### **¿De qué otra manera puedo ayudar a mis vecinos sin hogar?**

Nadie puede por sí mismo hacer todo lo necesario para resolver la indigencia, pero todos juntos sí podemos hacer algo. Lo más importante que usted puede hacer es decir "sí" a la vivienda asistida y a la vivienda provisional (bridge housing) en su comunidad, y ayudar a educar a sus vecinos sobre la importancia fundamental de esta obra.

## *Emergency Temporary Housing*

### ***Preguntas Frecuentes***

#### ***¿Por qué se seleccionó a mi comunidad para proyectos de vivienda provisional?***

Si nos proponemos terminar con la indigencia, necesitamos crear soluciones en todas las comunidades, por ese motivo es que el presupuesto del Alcalde financia viviendas de emergencia provisionales en todos los 15 Distritos del Concejo. Cada sitio de viviendas provisionales de emergencia se seleccionará con base en su proximidad a campamentos densos de personas sin hogar. Estos sitios están específicamente diseñados para atender a la población sin hogar que ya vive en su comunidad, y ayudarán a erradicar los campamentos en su comunidad. Cada Distrito del Concejo que construya viviendas de emergencia provisionales recibirá fondos adicionales de saneamiento y equipos de LAPD HOPE para restaurar los espacios que anteriormente funcionaron como sitios de campamentos para convertirlos en corredores públicos, limpios y seguros.

#### ***¿Quiénes residirán en las nuevas viviendas?***

La Municipalidad está desplegando equipos de trabajadores de difusión y divulgación para obtener la participación de angelinos sin hogar que viven alrededor de los sitios de vivienda provisional de A Bridge Home para asegurarse de que las personas que se trasladarán a vivir en una vivienda de emergencia provisional ya son residentes de esa comunidad. La única calificación para que las personas se trasladen a estos proyectos es su proximidad con el sitio.

Cada sitio está diseñado específicamente para apoyar las necesidades de la población cercana, sean estos hombres, mujeres o personas de la tercera edad. Todos se someterán a una evaluación de necesidades de vivienda cuando lleguen al sitio y su administrador de caso trabajará con ellos para trasladarlos a una solución más permanente.

#### ***¿Un proyecto de A Bridge Home traerá personas sin hogar a mi comunidad?***

No. Este proyecto de vivienda de emergencia provisional está diseñado específicamente para atender a las personas que viven en campamentos en comunidades alrededor del sitio, quienes serán identificadas previamente durante un período de difusión y divulgación. La Municipalidad aportará servicios adicionales de saneamiento y cumplimiento de las leyes para asegurar que las calles alrededor de los sitios permanezcan seguras y limpias.

#### ***¿Cómo se está decidiendo el lugar donde se desarrollarán las viviendas provisionales?***

La Municipalidad analiza principalmente la ubicación en lotes que ya son de propiedad municipal, que tengan al menos 20,000 pies cuadrados de extensión y estén localizados cerca de campamentos densos de personas sin hogar. Pero antes de elegir oficialmente un sitio, este se somete a la evaluación de ingenieros para garantizar que se trate de un lugar apropiado para desarrollar viviendas provisionales, y que ya cuenta con las conexiones necesarias de agua, energía eléctrica y alcantarillado.

#### ***¿Cómo lucirán los sitios?***

Cada Distrito del Concejo está comprometido con crear un sitio que refleje el espíritu y la estética de la comunidad donde se encuentra. Estos se diseñarán de manera que incorporen los comentarios de los proveedores de servicios, que optimicen el acceso a los servicios y que creen un espacio comunitario cómodo que ayude a los clientes a estabilizarse y ponerse de pie nuevamente en sus vidas. Las estructuras mismas serán remolques o espacios con plataformas cubiertas con carpas.

#### ***¿Cuánto tiempo funcionarán?***

Tres años.

### **¿Cuáles son los horarios de funcionamiento para los sitios A Bridge Home?**

Los sitios funcionan 24 horas al día, 7 días a la semana, con personal y seguridad en el sitio en todo momento.

### **¿Cuánto tiempo esperan que la gente permanezca en la vivienda provisional?**

Nuestro objetivo es sacar a las personas de los refugios y trasladarlas a viviendas más permanentes a la brevedad posible, lo que significa que las camas podrían reasignarse hasta cuatro veces en un año. Pero cuánto tiempo permanezca alguien en la vivienda de emergencia provisional dependerá de su necesidad. Los sitios estarán dotados de personal dedicado a la gestión de vivienda, profesionales de salud mental y especialistas contra adicciones quienes ayudarán a los clientes a levantarse y ponerse de pie tan pronto como sea posible.

### **¿Se afectará la seguridad de nuestra comunidad con estos proyectos de viviendas provisionales?**

No. Todos los sitios estarán completamente dotados con personal de seguridad en el sitio 24/7, y el personal municipal vigilará estrechamente cada sitio para ayudar a garantizar la seguridad y la limpieza. Nuestros asociados en el Condado están aumentando el despliegue de trabajadores de difusión y divulgación, y de servicios de apoyo para llegar hasta los residentes sin hogar locales, ayudarles a realizar la transición hacia viviendas de emergencia provisionales y posteriormente a viviendas permanentes. Por medio de financiamiento adicional de la Municipalidad para servicios de saneamiento, los campamentos existentes se convertirán en espacios públicos, seguros y limpios para el disfrute de todos los residentes.

### **¿Es necesario que los residentes en los sitios de A Bridge Home estén sobrios?**

No. El ingreso al sitio se determinará en función de la cercanía de la carpa de estos al sitio, no dependerá de si ellos están sobrios o no. Sin embargo, cada sitio estará totalmente equipado con especialistas en salud mental y tratamiento de adicciones que ayudarán a los nuevos residentes a iniciar el camino hacia la sobriedad.

### **¿Cómo se asegurarán ustedes de que los campamentos no volverán a surgir?**

La Municipalidad está comprometida en asegurarse de que las calles circundantes a los sitios de A Bridge Home permanezcan seguros y limpios. Los angelinos sin hogar aún podrán instalar sus carpas entre las 9

p.m. y las 6 a.m., pero durante el día, la Municipalidad ha establecido zonas de cumplimiento especiales para garantizar que se retiren las carpas.

### **¿Están ustedes criminalizando la indigencia?**

Este esfuerzo de ninguna manera pretende criminalizar a las personas que viven en las calles. No podemos, y de hecho no lo haremos, arrestar a todos los afectados para eliminar la crisis de indigencia. Las personas en extrema necesidad de ayuda no deben ser castigadas por sus circunstancias. La prioridad de la Municipalidad es llevar a estas personas a vivir bajo techo, no emitir citatorios. Sin embargo, si los residentes sin hogar eligen no retirar sus carpas durante el día, y por eso reciben citatorios, la oficina del Alcalde los conectará con el programa HEART, que brinda a los angelinos sin hogar la opción de realizar servicio comunitario o participar en consejería contra el abuso de sustancias en vez de pagar multas.

### **Esto no suena como una solución permanente. ¿Qué pasa con aquellos que no ingresen a un sitio de A Bridge Home?**

Gracias a los votantes de Los Ángeles, la Municipalidad ha podido trabajar en la construcción de miles de unidades de vivienda asistida para nuestros vecinos sin hogar más vulnerables en la próxima década. Pero las personas que están durmiendo en las calles esta noche no pueden esperar hasta que las nuevas viviendas estén disponibles. Ellos necesitan ayuda ahora mismo. Es por eso que A Bridge Home está ayudando a conectar a las personas con soluciones permanentes hoy.

### **¿De qué otra manera puedo ayudar a mis vecinos sin hogar?**

Nadie puede por sí mismo hacer todo lo necesario para resolver la indigencia, pero todos juntos sí podemos hacer algo. Lo más importante que usted puede hacer es decir "sí" a la vivienda asistida y a la vivienda provisional (bridge housing) en su comunidad, y ayudar a educar a sus vecinos sobre la importancia fundamental de esta obra.

## *Emergency Temporary Housing*

### ***Preguntas Frecuentes***

#### ***¿Por qué se seleccionó a mi comunidad para proyectos de vivienda provisional?***

Si nos proponemos terminar con la indigencia, necesitamos crear soluciones en todas las comunidades, por ese motivo es que el presupuesto del Alcalde financia viviendas de emergencia provisionales en todos los 15 Distritos del Concejo. Cada sitio de viviendas provisionales de emergencia se seleccionará con base en su proximidad a campamentos densos de personas sin hogar. Estos sitios están específicamente diseñados para atender a la población sin hogar que ya vive en su comunidad, y ayudarán a erradicar los campamentos en su comunidad. Cada Distrito del Concejo que construya viviendas de emergencia provisionales recibirá fondos adicionales de saneamiento y equipos de LAPD HOPE para restaurar los espacios que anteriormente funcionaron como sitios de campamentos para convertirlos en corredores públicos, limpios y seguros.

#### ***¿Quiénes residirán en las nuevas viviendas?***

La Municipalidad está desplegando equipos de trabajadores de difusión y divulgación para obtener la participación de angelinos sin hogar que viven alrededor de los sitios de vivienda provisional de A Bridge Home para asegurarse de que las personas que se trasladarán a vivir en una vivienda de emergencia provisional ya son residentes de esa comunidad. La única calificación para que las personas se trasladen a estos proyectos es su proximidad con el sitio.

Cada sitio está diseñado específicamente para apoyar las necesidades de la población cercana, sean estos hombres, mujeres o personas de la tercera edad. Todos se someterán a una evaluación de necesidades de vivienda cuando lleguen al sitio y su administrador de caso trabajará con ellos para trasladarlos a una solución más permanente.

#### ***¿Un proyecto de A Bridge Home traerá personas sin hogar a mi comunidad?***

No. Este proyecto de vivienda de emergencia provisional está diseñado específicamente para atender a las personas que viven en campamentos en comunidades alrededor del sitio, quienes serán identificadas previamente durante un período de difusión y divulgación. La Municipalidad aportará servicios adicionales de saneamiento y cumplimiento de las leyes para asegurar que las calles alrededor de los sitios permanezcan seguras y limpias.

#### ***¿Cómo se está decidiendo el lugar donde se desarrollarán las viviendas provisionales?***

La Municipalidad analiza principalmente la ubicación en lotes que ya son de propiedad municipal, que tengan al menos 20,000 pies cuadrados de extensión y estén localizados cerca de campamentos densos de personas sin hogar. Pero antes de elegir oficialmente un sitio, este se somete a la evaluación de ingenieros para garantizar que se trate de un lugar apropiado para desarrollar viviendas provisionales, y que ya cuenta con las conexiones necesarias de agua, energía eléctrica y alcantarillado.

#### ***¿Cómo lucirán los sitios?***

Cada Distrito del Concejo está comprometido con crear un sitio que refleje el espíritu y la estética de la comunidad donde se encuentra. Estos se diseñarán de manera que incorporen los comentarios de los proveedores de servicios, que optimicen el acceso a los servicios y que creen un espacio comunitario cómodo que ayude a los clientes a estabilizarse y ponerse de pie nuevamente en sus vidas. Las estructuras mismas serán remolques o espacios con plataformas cubiertas con carpas.

#### ***¿Cuánto tiempo funcionarán?***

Tres años.

### ***¿Cuáles son los horarios de funcionamiento para los sitios A Bridge Home?***

Los sitios funcionan 24 horas al día, 7 días a la semana, con personal y seguridad en el sitio en todo momento.

### ***¿Cuánto tiempo esperan que la gente permanezca en la vivienda provisional?***

Nuestro objetivo es sacar a las personas de los refugios y trasladarlas a viviendas más permanentes a la brevedad posible, lo que significa que las camas podrían reasignarse hasta cuatro veces en un año. Pero cuánto tiempo permanezca alguien en la vivienda de emergencia provisional dependerá de su necesidad. Los sitios estarán dotados de personal dedicado a la gestión de vivienda, profesionales de salud mental y especialistas contra adicciones quienes ayudarán a los clientes a levantarse y ponerse de pie tan pronto como sea posible.

### ***¿Se afectará la seguridad de nuestra comunidad con estos proyectos de viviendas provisionales?***

No. Todos los sitios estarán completamente dotados con personal de seguridad en el sitio 24/7, y el personal municipal vigilará estrechamente cada sitio para ayudar a garantizar la seguridad y la limpieza. Nuestros asociados en el Condado están aumentando el despliegue de trabajadores de difusión y divulgación, y de servicios de apoyo para llegar hasta los residentes sin hogar locales, ayudarles a realizar la transición hacia viviendas de emergencia provisionales y posteriormente a viviendas permanentes. Por medio de financiamiento adicional de la Municipalidad para servicios de saneamiento, los campamentos existentes se convertirán en espacios públicos, seguros y limpios para el disfrute de todos los residentes.

### ***¿Es necesario que los residentes en los sitios de A Bridge Home estén sobrios?***

No. El ingreso al sitio se determinará en función de la cercanía de la carpa de estos al sitio, no dependerá de si ellos están sobrios o no. Sin embargo, cada sitio estará totalmente equipado con especialistas en salud mental y tratamiento de adicciones que ayudarán a los nuevos residentes a iniciar el camino hacia la sobriedad.

### ***¿Cómo se asegurarán ustedes de que los campamentos no volverán a surgir?***

La Municipalidad está comprometida en asegurarse de que las calles circundantes a los sitios de A Bridge Home permanezcan seguros y limpios. Los angelinos sin hogar aún podrán instalar sus carpas entre las 9

p.m. y las 6 a.m., pero durante el día, la Municipalidad ha establecido zonas de cumplimiento especiales para garantizar que se retiren las carpas.

### ***¿Están ustedes criminalizando la indigencia?***

Este esfuerzo de ninguna manera pretende criminalizar a las personas que viven en las calles. No podemos, y de hecho no lo haremos, arrestar a todos los afectados para eliminar la crisis de indigencia. Las personas en extrema necesidad de ayuda no deben ser castigadas por sus circunstancias. La prioridad de la Municipalidad es llevar a estas personas a vivir bajo techo, no emitir citatorios. Sin embargo, si los residentes sin hogar eligen no retirar sus carpas durante el día, y por eso reciben citatorios, la oficina del Alcalde los conectará con el programa HEART, que brinda a los angelinos sin hogar la opción de realizar servicio comunitario o participar en consejería contra el abuso de sustancias en vez de pagar multas.

### ***Esto no suena como una solución permanente. ¿Qué pasa con aquellos que no ingresen a un sitio de A Bridge Home?***

Gracias a los votantes de Los Ángeles, la Municipalidad ha podido trabajar en la construcción de miles de unidades de vivienda asistida para nuestros vecinos sin hogar más vulnerables en la próxima década. Pero las personas que están durmiendo en las calles esta noche no pueden esperar hasta que las nuevas viviendas estén disponibles. Ellos necesitan ayuda ahora mismo. Es por eso que A Bridge Home está ayudando a conectar a las personas con soluciones permanentes hoy.

### ***¿De qué otra manera puedo ayudar a mis vecinos sin hogar?***

Nadie puede por sí mismo hacer todo lo necesario para resolver la indigencia, pero todos juntos sí podemos hacer algo. Lo más importante que usted puede hacer es decir "sí" a la vivienda asistida y a la vivienda provisional (bridge housing) en su comunidad, y ayudar a educar a sus vecinos sobre la importancia fundamental de esta obra.

# A Bridge Home

## *Emergency Temporary Housing*

### **FAQs**

#### ***Why was my neighborhood selected for bridge housing?***

If we're going to end homelessness, we need to create solutions in every community – which is why the Mayor's budget funds temporary emergency housing in all 15 Council Districts. Each temporary emergency housing site will be selected based on its proximity to dense homeless encampments. These sites are specifically designed to serve the homeless population that already lives in your community, and will help clean up encampments in your neighborhood. Every Council District that builds temporary emergency housing will receive additional sanitation and LAPD HOPE Team funds to restore spaces that were previously encampment sites into safe, clean, public passageways.

#### ***Who is going to live in the new housing?***

The City is deploying teams of outreach workers to engage homeless Angelenos who live around the A Bridge Home site to ensure that people moving into the temporary emergency housing are already residents of the neighborhood. The only qualification for people to move in is their proximity to the site. Each site is specifically designed to support the needs of the population nearby – whether they are women, men, or senior citizens. Everyone will have their housing needs assessed as they come on-site, and their case manager will work with them to move them into a more permanent solution.

#### ***Will A Bridge Home bring homeless people into my neighborhood?***

No. This temporary emergency housing is designed specifically to serve people who live in encampments in the community surrounding the site, who will be pre-identified during a period of outreach. The City is bringing in additional sanitation and enforcement services to ensure that the streets surrounding the sites remain safe and clean.

#### ***How are you deciding where to put the bridge housing?***

The City is primarily looking at lots it already owns – that are at least 20,000 square feet in size and located near dense homeless encampments. But before a site is officially chosen, it is assessed by engineers to ensure that it's an appropriate place to put temporary housing, and that it's equipped with the necessary water, power, and sewage connections.

#### ***What will the sites look like?***

Each council district is committed to creating a site that reflects the spirit and aesthetic of the neighborhood where it stands. They will be designed to incorporate the input of service providers, to optimize access to services and create a comfortable community space that helps clients stabilize and get back on their feet. The structures themselves will be trailers or platformed spaces covered in canvas.

#### ***How long will they be open?***

Three years.

#### ***What are the hours of operation for A Bridge Home sites?***

The sites are operated 24 hours a day; 7 days a week, with staff and security on site at all times.

#### ***How long do you expect people to stay in the bridge housing?***

Our goal is to move people out of the shelters and into more permanent housing as quickly as possible – meaning that beds could turn over as many as four times in a year. But how long someone stays in the temporary emergency housing is based on their need. The sites will be staffed with housing navigators, mental health professionals, and anti-addiction specialists who will help clients get back on their feet as quickly as possible.

### ***Will our neighborhood be less safe with this bridge housing?***

No. All of the sites will be fully staffed with 24/7 on-site security, and City staff will closely monitor each site to help ensure safety and cleanliness. Our County partners are ramping up the deployment of outreach workers and supportive services to local homeless residents, to help them transition into the temporary emergency housing, and later into permanent homes. With the City's additional funding for sanitation services, existing encampments will be converted into clean, safe public spaces for all residents to enjoy.

### ***Are you going to have services on site?***

Yes! The City and County have partnered to fund services for all residents of A Bridge Home sites that will help people move out of the temporary emergency housing and into permanent housing as quickly as possible. Each resident will have a case manager, as well as mental health, housing, and substance abuse support – not to mention three meals a day, storage, showers, restrooms, a place for pets, and 24/7 security.

### ***Are residents of A Bridge Home sites required to be sober?***

No. Entry to the site is determined by how close someone's tent is to the site – not whether they're sober. However, each site will be fully equipped with mental health and anti-addiction specialists who will help new residents start on the path to sobriety.

### ***How are you going to make sure the encampments don't come back?***

The City is committed to making sure that the streets surrounding new A Bridge Home sites stay safe and clean. Homeless Angelenos will still be able to put up their tents between the hours of 9pm and 6am, but during the daytime, the City is establishing special enforcement zones to ensure that tents are taken down.

### ***Are you criminalizing homelessness?***

This effort is in no way intended to criminalize people who live on the streets. We cannot – and will not – arrest our way out of the homelessness crisis. People in desperate need of help should not be punished for their circumstances. The City's priority is bringing people indoors – not issuing citations. However, if homeless residents choose not to take down their tents during the daytime, and receive citations as a result, the Mayor's Office will connect them with the HEART program, which gives homeless Angelenos the option of doing community service or participating in substance abuse counseling in lieu of paying fines.

### ***This doesn't sound like a permanent solution. What about everyone who doesn't get into A Bridge Home site?***

Thanks to the voters of L.A., the City is getting to work building thousands of units of supportive housing for our most vulnerable homeless neighbors over the next decade. But people who are living on the streets tonight can't wait for new housing to come online. They need help now. That's why A Bridge Home is helping connect people to permanent solutions today.

### ***How else can I help my homeless neighbors?***

No one can do everything to solve homelessness, but everyone can do something. The most important thing you can do is say "yes" to supportive housing and bridge housing in your community, and help educate your neighbors about the critical importance of this work. Good morning,

Attached are the daily activities for the day, which include CSLA posted clean-ups, illegal dumping, and the HOPE Rapid Response locations. Please keep in mind that the Rapid Response Teams ensure LAMC 56.11 compliance and postings are not required.

All locations are subject to change. Reasons vary and may include, lack of signatures, resources, weather, or time constraints.

The Unified Homelessness Response Center is always striving to improve collaboration and open lines of communication. Please feel free to reach out to the UHRC with any of the following issues, or if you are in need of information on any other homelessness-related issues:

- A Bridge Home Information (Please see attachment for updated A Bridge Home information)
- Coordination of resources for a pressing issue related to homelessness
- Assistance with outreach for vulnerable populations
- Outreach information and services
- Very High Fire Hazard Severity Zone locations and requests
- HOPE Team information
- Rapid Response locations (56.11 Compliance/Enforcement)
- Clean Streets Los Angeles (Posted clean-ups)
- Operation Healthy Streets (Weekly dedicated Posted clean-ups in Skid Row and Venice Beach)
- Illegal dumping (Trash not associated with a clean-up)
- DOT resources, requests, and information
- Safe Parking
- LAPD resources

## *Emergency Temporary Housing*

### **FAQs**

#### ***Why was my neighborhood selected for bridge housing?***

If we're going to end homelessness, we need to create solutions in every community – which is why the Mayor's budget funds temporary emergency housing in all 15 Council Districts. Each temporary emergency housing site will be selected based on its proximity to dense homeless encampments. These sites are specifically designed to serve the homeless population that already lives in your community, and will help clean up encampments in your neighborhood. Every Council District that builds temporary emergency housing will receive additional sanitation and LAPD HOPE Team funds to restore spaces that were previously encampment sites into safe, clean, public passageways.

#### ***Who is going to live in the new housing?***

The City is deploying teams of outreach workers to engage homeless Angelenos who live around the A Bridge Home site to ensure that people moving into the temporary emergency housing are already residents of the neighborhood. The only qualification for people to move in is their proximity to the site. Each site is specifically designed to support the needs of the population nearby – whether they are women, men, or senior citizens. Everyone will have their housing needs assessed as they come on-site, and their case manager will work with them to move them into a more permanent solution.

#### ***Will A Bridge Home bring homeless people into my neighborhood?***

No. This temporary emergency housing is designed specifically to serve people who live in encampments in the community surrounding the site, who will be pre-identified during a period of outreach. The City is bringing in additional sanitation and enforcement services to ensure that the streets surrounding the sites remain safe and clean.

#### ***How are you deciding where to put the bridge housing?***

The City is primarily looking at lots it already owns – that are at least 20,000 square feet in size and located near dense homeless encampments. But before a site is officially chosen, it is assessed by engineers to ensure that it's an appropriate place to put temporary housing, and that it's equipped with the necessary water, power, and sewage connections.

#### ***What will the sites look like?***

Each council district is committed to creating a site that reflects the spirit and aesthetic of the neighborhood where it stands. They will be designed to incorporate the input of service providers, to optimize access to services and create a comfortable community space that helps clients stabilize and get back on their feet. The structures themselves will be trailers or platformed spaces covered in canvas.

#### ***How long will they be open?***

Three years.

#### ***What are the hours of operation for A Bridge Home sites?***

The sites are operated 24 hours a day; 7 days a week, with staff and security on site at all times.

#### ***How long do you expect people to stay in the bridge housing?***

Our goal is to move people out of the shelters and into more permanent housing as quickly as possible – meaning that beds could turn over as many as four times in a year. But how long someone stays in the temporary emergency housing is based on their need. The sites will be staffed with housing navigators, mental health professionals, and anti-addiction specialists who will help clients get back on their feet as quickly as possible.

### ***Will our neighborhood be less safe with this bridge housing?***

No. All of the sites will be fully staffed with 24/7 on-site security, and City staff will closely monitor each site to help ensure safety and cleanliness. Our County partners are ramping up the deployment of outreach workers and supportive services to local homeless residents, to help them transition into the temporary emergency housing, and later into permanent homes. With the City's additional funding for sanitation services, existing encampments will be converted into clean, safe public spaces for all residents to enjoy.

### ***Are you going to have services on site?***

Yes! The City and County have partnered to fund services for all residents of A Bridge Home sites that will help people move out of the temporary emergency housing and into permanent housing as quickly as possible. Each resident will have a case manager, as well as mental health, housing, and substance abuse support – not to mention three meals a day, storage, showers, restrooms, a place for pets, and 24/7 security.

### ***Are residents of A Bridge Home sites required to be sober?***

No. Entry to the site is determined by how close someone's tent is to the site – not whether they're sober. However, each site will be fully equipped with mental health and anti-addiction specialists who will help new residents start on the path to sobriety.

### ***How are you going to make sure the encampments don't come back?***

The City is committed to making sure that the streets surrounding new A Bridge Home sites stay safe and clean. Homeless Angelenos will still be able to put up their tents between the hours of 9pm and 6am, but during the daytime, the City is establishing special enforcement zones to ensure that tents are taken down.

### ***Are you criminalizing homelessness?***

This effort is in no way intended to criminalize people who live on the streets. We cannot – and will not – arrest our way out of the homelessness crisis. People in desperate need of help should not be punished for their circumstances. The City's priority is bringing people indoors – not issuing citations. However, if homeless residents choose not to take down their tents during the daytime, and receive citations as a result, the Mayor's Office will connect them with the HEART program, which gives homeless Angelenos the option of doing community service or participating in substance abuse counseling in lieu of paying fines.

### ***This doesn't sound like a permanent solution. What about everyone who doesn't get into A Bridge Home site?***

Thanks to the voters of L.A., the City is getting to work building thousands of units of supportive housing for our most vulnerable homeless neighbors over the next decade. But people who are living on the streets tonight can't wait for new housing to come online. They need help now. That's why A Bridge Home is helping connect people to permanent solutions today.

### ***How else can I help my homeless neighbors?***

No one can do everything to solve homelessness, but everyone can do something. The most important thing you can do is say "yes" to supportive housing and bridge housing in your community, and help educate your neighbors about the critical importance of this work. Thanks for participating in Thursday's UHRC Policy Group meeting. We discussed the UHRC's ongoing operations, the draft encampment protocols, and developing criteria to triage and prioritize requests for

assistance.

**Updated UHRC Contact Information:**

Email: [uhrc@lacity.org](mailto:uhrc@lacity.org)

Phone: (213) 484-4855

Please note this is an internal phone line and email account only. UHRC contact information is not for public distribution.

**UHRC Operations:**

- The UHRC continued its operations, from 7am to 5pm, Monday - Thursday.
- LASAN will provide specific CSLA locations to the UHRC one week in advance of the scheduled cleanup date. HOPE Team locations will be provided that day.
- The UHRC sent its first "Daily Activities Email" with information on the day's CSLA and HOPE locations and activities. Please let us know if there is information you'd like to have included in these emails, or if there are additional staff to whom you'd like the emails sent.
- The UHRC is developing criteria to triage and prioritize requests for assistance. A draft will be circulated to the Policy Group at a future meeting. The group discussed consideration of the following factors:
  - A Bridge Home Shelters / Special Enforcement & Cleaning Zones
  - Very High Fire Hazard Severity Zones (VHFHSZ)
  - Vulnerable Populations - LAHSA Voucher Definition
  - Sensitive Locations (e.g., schools, etc.)
  - Access to Private Property (e.g., driveways and businesses) - Industrial Skid Row
  - Proximity to Disability Centers and Clinics

**SALUS:**

- HSAC provided a demonstration of SALUS for the Policy Group.
- HSAC is still working to have the app rolled out City-wide within the next month or two.
- HSAC is working on obtaining licenses and credentials for City staff to use SALUS and the GeoHub.

**Training:**

- On Monday, July 30th, The People Concern will provide trauma-informed care training to the UHRC staff.
- On August 6th, the City Attorney's Office and LASAN will provide L.A.M.C. 56.11 Training to the UHRC staff.
- The Mayor's Office is working with LAHSA to provide outreach practices and protocols training to the UHRC staff at a future date in August.

**Encampment Protocols:**

- The Policy Group discussed the draft encampment protocols. The City Attorney's Office will be providing comments and suggested edits to ensure the protocols are consistent with existing City codes and regulations. Additionally, the County will be providing feedback after discussing the draft protocols at its next E6 Coordination Meeting on Tuesday, July 31st.

**Additional Items:**

- CD14 requested the Special Enforcement & Cleaning Zone signs also be made in Spanish. The Mayor's Office had the sign translated and sent the updated information to LASAN. Both the English

and Spanish signs will be finished this week.

**The next UHRC Policy Group meeting will be Thursday, 8/2, at 1pm in CENTCOM, 22nd Floor - City Hall.**

Notes from the 7/19 UHRC Policy Group meeting are attached for your reference.

Please let me know if you have any questions, or if I have missed (or misstated) anything from the meeting.

Thanks so much!

Brian
